FEBRUARY 2010 INFANT TODDLER MENTAL HEALTH COALITION OF ARIZONA

ITMHCA LAUNCHES NEW WEBSITE!!

With improving technology, and an ever advancing system, ITMHCA will be launching a new website. Our URL

name will remain the same

www.itmhca.org;

however the pages will be much easier to navigate and manage. Our hope is to make the site more interactive and user-friendly to our current and future members. In our vast State, we have many professionals seeking and providing resourceful information- from reflective supervision to ongoing trainings. ITMHCA recognizes the need to be able to reach the majority conveniently. Please stay tuned for our new website. We appreciate your feedback, your referrals, and your interest in providing information for our training calendar!

GOT REFLECTIVE SUPERVISION?

ITMHCA has been working hard to build relationships across the state to help agencies provide reflective supervision and meet the requirements of Endorsement. If you or your agency is interested in building capacity for reflective supervision, please let ITMHCA know! Especially in these difficult economic times, families are in need, more than ever, to receive supportive interventions. The best

way to be supportive to our clients and families is when we as clinicians feel supported ourselves. Help us help you get the training and supervision you need to work at your highest potential. Email us at mail@itmhca.org for more information.

UPCOMING EVENTS

- Next Endorsement exam will be held in the Spring. Get your portfolio complete prior to eligibility to sit for Level III and IV exams. Go to www.itmhca.org/endorsements for more information!
